

TRAILER VACUUM EXCAVATOR

TOW. DIG. GO.

Portable hydro excavation power built for simplicity, versatility and fast deployment.

Easy-access
Service Points

Optional Boom

Dig & Unclog

Wireless Remote

Not every job needs a full-size truck.

The TRXX delivers hydro excavation capability in a portable, easy-to-operate trailer platform designed for utility work, cleanup and a wide range of excavation applications.

- Portable trailer platform for flexible deployment across jobsites
- Simple 1-2-3 operation for faster onboarding and productivity
- Wireless remote with standard Dig and Unclog functionality
- Optional boom configurations for increased flexibility and reach
- Easy-access service points for simplified maintenance
- Vactor-backed support with responsive service and parts availability

PORTABILITY

Tow it where work happens and deploy quickly across multiple job sites.

SIMPLICITY

Easy-to-learn controls and intuitive operation reduce training time.

VERSATILITY

Handle excavation, cleanup and utility work with one compact system.

APPLICATIONS

Built for productive work across:

- Utility locating and daylighting
- HDD keyholing and slot trenching
- Construction and site cleanup
- Catch basin and floodwater cleanup
- Valve box repairs and maintenance
- Landscape, plumbing, and municipal applications

KEY SPECIFICATIONS

Spoils Tank: 500 or 800-gallon capacity

Freshwater Tank: 200 or 400-gallon capacity

Vacuum System: 1,000 cfm blower

Water Pump: 5 gpm @ 3,000 psi

Boom Options: Strong arm or hydraulically operated boom available

Filtration: Standard 5-micron final filter with optional cyclone filtration

CONFIGURED FOR YOUR OPERATION

Adapt TRXX to your application and crew requirements:

- Multiple tank capacity configurations
- Optional hydraulic boom systems
- Cyclone filtration options
- Remote-control excavation and unclog functionality
- Utility, municipal and contractor applications

BUILT FOR THE OPERATOR

- Easy 1-2-3 startup and operation
- Clearly labeled bilingual control panel
- Wireless remote activates all major machine functions
- Dig and Unclog feature reduces unnecessary downtime and movement
- Easy access to key operating and maintenance components

BACKED BY VACTOR SUPPORT

Performance doesn't stop at the trailer.

- Coast-to-coast dealer and service network
- Responsive parts availability to minimize downtime
- Dedicated support and training resources
- Commitment to reliability and long-term performance
